START HERE — Christmas Creative Design Prompt Generator

By LaTisha Nixon, Pink Panda Digital

Your package

1) Christmas_Creative_Design_Prompt_Generator.html — open this first. 2) Christmas_Creative_User_Guide.pdf — the full step-by-step guide. 3) Christmas_Creative_Product_Description.txt — the sales description.

Do this first

1. Open Christmas_Creative_Design_Prompt_Generator.html in any browser — double-click it. It works offline.
2. Pick a design type (26 built in — T-shirts, patterns, stickers, cards, mugs, and more).
3. Pick a theme (37 built in — Classic, Luxury, Retro, Cozy, Glam, Faith-Based, Nativity, Winter Wonderland, and more).
4. Add subject, finish, typography, palette and production direction, then click Generate Prompts.
5. Copy Prompt or Copy All, paste into your AI image or video tool, and make your design. This tool builds prompts only.

Remember

Save to Prompt Library to keep your best prompts. Download/Export Prompt Text to save them as a file.
